

September 2019

Drax Power plant Visit

Your child has the amazing opportunity to visit Drax Power Station in Selby on **Thursday 19th September**. Your child will have a tour of the power station and learn about where electricity comes from.

Drax is a working power station so it is essential that your child wears sensible and sturdy shoes with full foot coverage. It is also vital that your child wears trousers and a long-sleeved jumper or cardigan.

The children will be departing at 8.45am and will return to school at 3.15pm therefore you will need to provide your child with a packed lunch. If your child is eligible for a free school meal a packed lunch will be provided for them.

We will be travelling by coach for this visit and we are asking parents for a £5.00 contribution towards covering the costs of this. It is because of the contributions you provide that amazing experiences like this are possible and we thank you for your continued support.

Please indicate on the slip below whether or not you would like your child to attend this visit and enclose the contribution and return to the office as soon as possible.

Yours Sincerely,

Mr J Phillips
Head of Academy

I would like my childto attend the visit to Drax Power Station visit.

- I will provide my child with a packed lunch
- I have enclosed the £5.00 contribution
