Rock Challenge

Dear Parents,

It is with regret that I have to write to you to inform you of some disappointing news. Unfortunately, Rock Challenge and Jrock will not be hosting competitions this year. This is apparently due to the lack of funding and sponsorship Rock Challenge have been able to raise to make sure that their events do not run at a loss.

Craven were all set to make it another fantastic year. There were several members of staff who had put their names forward to be part of the Rock Challenge team this year, and were excited to get started!

I completely understand that many children, parents and family members will be disappointed. Rock Challenge is something that, over the last 5 years, has united the academy and brought so many people closer together. It is something that has often been the highlight of the school year for so many pupils, parents and staff. Hopefully, this will only be happening for this year, and next year we will be able to take part again.

As an academy, we are looking at other opportunities that we can provide for your children that will give them that feeling of pride; we are always open to hearing any suggestions from yourselves.

Yours Sincerely,
