

September 2019

Dear Parents/Carers

Foundations Live 2019

Your child has the amazing opportunity to attend the Foundations Live Event at Bishop Burton College on **Wednesday 2nd October**.

The children will take part in a construction workshop with Hobson and Porter where they will learn how to cement bricks and build walls. They will also learn about the different jobs in construction. After the workshop, they will have the opportunity to tour the college and learn all about the different vocations available to students.

The children will be leaving school at 9:00am and they will be departing from Bishop Burton at 2pm so they will need a packed lunch. If your child is eligible for a free school meal, the school will provide them with a packed lunch.

Yours sincerely

Mrs L Hartmann
Assistant Principal
